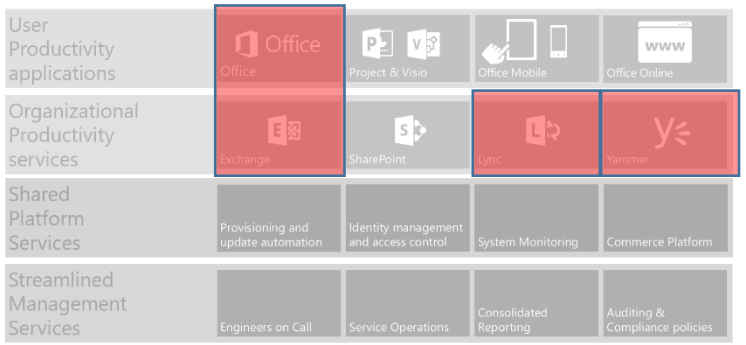
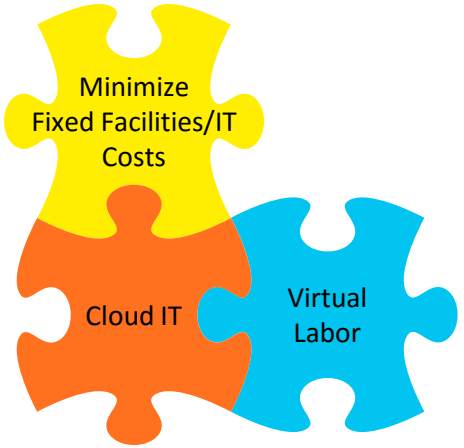
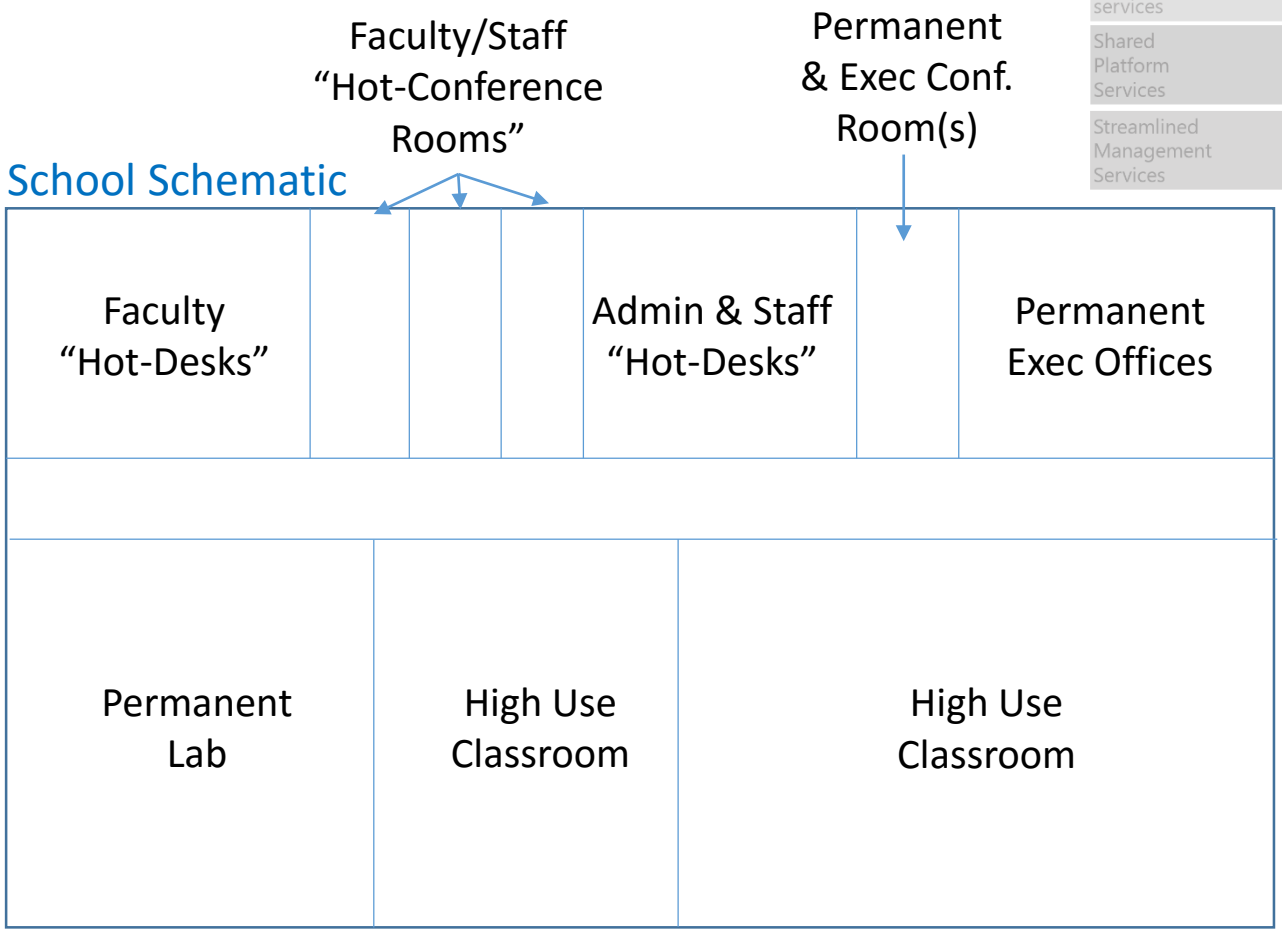
Hot Desks and Offices in the Cloud

(Make facility cost more variable)





School Schematic



- Instructional and Administration documents are stored in the cloud
  - portable
  - remotely accessible
  - secure
- Instructor's laptop becomes the "desk"
- "Hot desks" are where instructor is sitting
- "Hot conference rooms handle meetings"
- Permanent offices for staff who meet visitors
- Classes meet partially off-site, freeing class space
- Labs (if needed) are given dedicated space
- *Virtual upWork labor helps coordinate (in the cloud)*
